Eastern Floodgate

The Environment Agency will be replacing the Eastern Floodgate access to the north yard over the week 7th to 13th July. Access to the club yard may be restricted at times via this route during this work.

There will still be pedestrian access using the gate from the promenade or the one by the bridge.

The site manager will assist access if work is going on. Access instructions for going through the gate when work is not taking place will be in the clubhouse

Major Floodgate Replacement

We are in discussions about the replacement and when we have firm information we will let you know what is happening.

Lift in 10th November 2018

Because of the proposed floodgate works lift in this year is planned for November 10th.

Club Bar

If purchasing drinks from the bar please check the prices on the shelves as some canned drinks and Peroni beer have gone up to reflect purchasing costs, but are still good value.

Lockers

Adam has still not had a response from members who rent lockers 1, 3, 9, 12 or 13?

Adam can be contacted by email at adam.gray77@yahoo.com

Or by phone 07756 112824

If we haven't had a response by the middle of August we may have to take action to gain access.

Member's directory email response

Sorry if you have tried responding to the request for permission to include your details in a member's directory by email, there was a glitch which has now been rectified. Could you please try again as we need a positive response if you are to be included. gdpr@gravesendsc.org.uk

You can always use the paper form if you prefer.

Dates for your Diary
